November 2020

Valued Customer,

nVent SCHROFF is discontinuing the Calmark 120 and C120 Series due to limited availability of tooling. Last time buys will be available through May 2021 as the tooling allows. It is recommended to place last time buys as soon as possible.

Replacement product:

No identical replacement will be made available. Last time buys are available as tooling allows through May 2021.

Affected material numbers:

[Series 120](#)

[Series C120](#)

Please contact your Customer Service Representative with questions.

Please reach out to your local sales representative with any questions.

Kind Regards,

Katie Hausman
Product Marketing Manager
