*The following Phoenix Contact products have been modified. Existing specifications will be met or exceeded. Please review and acknowledge this document and inform your personnel as needed.*

#### Description for Product Change Notification

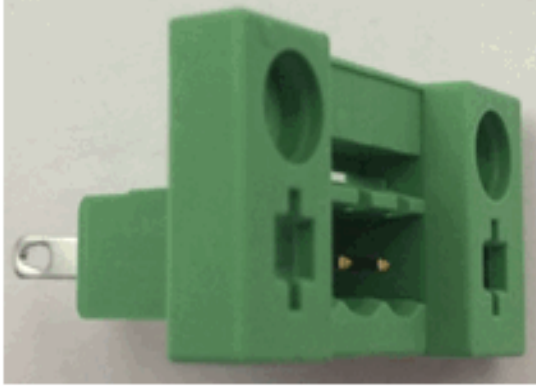

In order to optimized the production process we will be transitioning from a complete to a partial gold plating process. The new versions will have gold plating on the plugging area of the contact. The revision level (V/C) will be updated, and during the conversion process both versions may be available depending on local inventory levels.

#### Stock Status

Can existing stock still be used?	Yes
Is mixture of stock acceptable?	No

#### Transaction Dates

Date modification goes into effect from Germany:	12/3/2018
