Description of Changes

TE is adding Tool # 22-1046777 to Empalme, MX to vertically integrate this product family and improve our supply chain to customers. This addition follows a strict procedure, which fully maintains quality, ability to supply and form-fit-funcon of the concerned products. The receiving manufacturing location operates under a certified quality management system in accordance with standard automotive requirements. These moves will be validated not to affect product fit, form and function, tool geometry, quality performance or the quality management system. TE will uphold our responsibility to internally validate and approve these tools among appropriate first article dimensional and capability analysis, comparative 2-sample T-tests before and after moves, before and after CT scans where needed, and PV testing as defired by TE product engineering.

Reason for Changes:
