Worldwide Product Announcement

MultiConnect® Dragonfly™ LTE Cat 1 Embedded Cellular Modems and SoM's New Ordering Part Numbers Near-End-of-Life for Old Ordering Part Numbers

Date: February 14, 2019

I. Summary

MultiTech is releasing new ordering part numbers for the MultiConnect® Dragonfly™ MTQ-LAT3 and MTQ-LVW3 series of LTE Cat 1 embedded cellular modems and SoM's. These new ordering part numbers include an updated version of the radio firmware. The existing ordering part numbers are changing status from generally available to Near-End-of-Life (NEOL) effective immediately. See [PCN #021419-01](#) for details and release notes for the new ordering part numbers.

II. Product Description

The [MultiConnect® Dragonfly™](#) embedded cellular modems and SoM's are complete, ready-to-integrate communications devices ideal for customers looking to add cellular communications to their solutions.

These carrier approved and end-device certified embedded modems from MultiTech decrease time to market and save customers money.

III. Key Dates

Near-End-of-Life (NEOL) Date: February 14, 2019

Last Time Buy Date: May 14, 2019 or while supplies last

Last Ship Date/End-of-Life (EOL) Date: August 14, 2019 or while supplies last

Last Time Buy Information

By May 14, 2018, submit confirmed order quantities for guaranteed availability with a Non-Cancellable, Non-Returnable (NCNR) order. If you have a customer that requires more time to perform their last time buy please contact your MultiTech sales representative.

Note: All orders placed for products listed in this announcement require an NCNR agreement. Last time ship dates are negotiable with an NCNR agreement. Please contact your MultiTech sales representative for details and a copy of the agreement.

MTQ-Lxxx models are encryption items. U.S. Export Administration Regulations have special restrictions on the export of encryption items; please refer to these regulations. Any export of commodities, technology, or software must be exported from the United States in accordance with the Export Administration Regulations. Export or diversion contrary to U.S. law is prohibited.

V. Warranty and Support

Two-Year Product Warranty

All MultiTech products include a two-year warranty that includes on-line technical support, 24-hour website support and ftp support.

VI. Suggested Action Plan

To help facilitate the launch of the new ordering part numbers, we recommend the following actions be taken:

- Forward this announcement to others within your organization who are actively involved in the sale or support of cellular modems and SoM's.
- Ensure that the new ordering part numbers are loaded in your pricing system.
- Place initial stocking orders for the new ordering part numbers.
- Use the new ordering part numbers for all new design registrations.
- Notify and work with existing customers to migrate to the new ordering part numbers.
