DESCRIPTION OF DISCONTINUANCE:

Würth Elektronik will discontinue the Thin Film Chip Inductor WE-TCI size 0603. The Last time buy of this part will be March 1st, 2013 and we won't accept any orders later than this date.

ALTERNATIVE PRODUCT/SOURCE:

1. The suggested replacement for inductance values 1nH to 27nH is the Thin Film Chip Inductor WE-TCI size 0402.
See the table below:
