

## Statement of Compliance

#### **Requested Part**

| 12 June 2023 | <b>2-2845</b> <sup>•</sup>    | 13-3                         | (Part 1 of 1) |
|--------------|-------------------------------|------------------------------|---------------|
|              | TE Internal Number:           | 2-284513-3                   |               |
|              | Product Description:          | 23 POS TERMI-BLOK HDR 900 PC | DL.           |
|              | Part Status:                  | Active                       |               |
|              | Mil-Spec Certified:           | No                           |               |
|              | EU RoHS Directive 2011/65/EU: | Compliant with Exemptions    |               |
|              |                               | 6(c) - Pb-Alloy in Copper    |               |

This declaration covers EU Directive 2011/65/EU incl. Delegated Directive 2015/863/EU.

| EU ELV Directive:<br>2000/53/EC                   | Not Yet Reviewed   |
|---|--|
| China RoHS 2 Directive:<br>MIIT Order No 32, 2016 | Restricted Materials Above Threshold   |
| EU REACH Regulation:                              | Current ECHA Candidate List: JAN 2023 (233)  |
| (EC) No. 1907/2006                                | Candidate List Declared Against: JUN 2018 (191)  |
|   | SVHC > Threshold:  |
|   | Pb (.11% in Component Part)<br>Article Safe Usage Statements:<br>Do not eat, drink or smoke when using this product. Wash thoroughly after<br>handling. Recycle if possible and dispose of the article by following all applicable<br>governmental regulations relevant to your geographic location. |
| Halogen Content:                                  | Low Halogen - Br, Cl, F, I < 900 ppm per homogenous material. Also BFR/CFR/PVC Free  |
| Solder Process Capability Code:                   | Wave solder capable to 265°C   |

Berwyn, PA 19312

This information is provided based on reasonable inquiry of our suppliers and represents our current actual knowledge based on the information they provided. This information is subject to change.

The part numbers that TE has identified as EU RoHS compliant have a maximum concentration of 0.1% by weight in homogenous materials for lead, hexavalent chromium, mercury, PBB, PBDE, DBP, BBP, DEHP, DIBP, and 0.01% for cadmium, or qualify for an exemption to these limits as defined in the Annexes of Directive 2011/65/EU (RoHS2). Finished electrical and electronic equipment products will be CE marked as required by Directive 2011/65/EU. Components may not be CE marked.

Additionally, the part numbers that TE has identified as EU ELV compliant have a maximum concentration of 0.1% by weight in homogenous materials for lead, hexavalent chromium, and mercury, and 0.01% for cadmium, or qualify for an exemption to these limits as defined in the Annexes of Directive 2000/53/EC (ELV).

Regarding the REACH Regulation, the information TE provides on SVHC in articles for this part number is based on the latest European Chemicals Agency (ECHA) 'Guidance on requirements for substances in articles' posted at this URL: https://echa.europa.eu/guidance-documents/guidance-on-reach
