General Product Description:

Flag Relay Terminals, 20-16, 16-14, 14-10 & 12-10. 180 deg socket terminal

Description of Changes

Manufacturing location change. The plating process for the following Part Numbers will be transferred from "Outside Vendor" to our Landisville PA TE Connectivity manufacturing location.

Reason for Changes:

Dear Customer, as a result of our continuous strive for improving our processes, we hereby inform you about a transfer of tools and/or processes. The transfer is executed by following a strict transfer procedure, which guarantees no negative influence on quality, ability to supply and form-fit-function of the concerned products. The new manufacturing location is under a certified quality management system according the standard industry requirements. An internal release based on our specifications will be executed before any parts will be delivered, which guarantees the performance.
