End-of-Life Notification HI-8590PSxx

As part of our ongoing product lifecycle management process, Holt has transitioned the following products to an "End-of-Life" status:

HI-8590PSI  
HI-8590PSIF

This decision was based on manufacturing capability being discontinued and historical unit shipment volume. The last time buys have been already completed for the following:

HI-8590PSIF Lot 85-01-3488, DC 1613  
HI-8590PSI Lot 85-01-3488, DC 1620

If you have any questions concerning this End-of-Life notification, please contact your Holt representative. This product is now considered obsolete.

Best regards,
