General Product Description:
DTC DTS Terminal Blocks phase-out

Description of Changes
Dear partner, Following the acquisition of ABB's ENTRELEC terminal block business by TE Connectivity in August 2018, the spring and screw terminal blocks sold under DTC / DTS naming will be phased out on June 30th 2020. Indeed, this range is in overlap with the existing ENTRELEC ranges called SNAC / SNA / SNK Series that are already well known on the market. As very few partners have used DTC / DTS ranges in 2019, the immediate effect will be the reduction of our safety stocks and inventory, and removal from our catalogs. The warranty of the products is remaining the same for the installed base.
