Reason for Changes:

Dear Customer, we hereby inform you about a transfer of plating location. The transfer follows a strict procedure, which fully maintains quality, ability to supply and form-fit-function of the concerned products. The new plating location operates under a certified quality management system in accordance with standard automotive requirements. A TE-internal release test based on the relevant part specifications will be executed before delivery. Upon request, a PPAP Level 2 will be available if it concerns a transfer of a tool which produces a finished TE-product. A PPAP Level 1 will be available if it concerns a component of a TE-product, where the production location of the finished TE-product remains unchanged. If you require such a PPAP, please notify the responsible TE Sales Contact within 14 calendar days after receipt of this PCN
