

## C-HDBP-4U

576F 19-inch 4U High Density Panel

### Features

- 4U Chassis
- 12-Slot 4U 19" Rack Mount
- Holds 24, 24-fiber tray-cassettes
- Maximum 576 fiber terminations
- Front and rear access to fiber cabling

### Product Description

This is a 4U, 19-inch rack-mount high density panel for high speed data breakout applications. This patch panel holds high density fiber cassettes with a max fiber count of 576 fibers. Our smart design provides firm, space-saving protection for all your optic cables. We providing you with an integrated, cost effective solution for all of your network upgrade needs.

### Specifications

Parameter	Specification	Unit
Dimensions	542.7 (L) x 482 (W) x 176.2 (H)	mm
Chassis Material Thickness	1.5	mm

## **About ProLabs**

Our experience comes as standard; for over 15 years ProLabs has delivered optical connectivity solutions that give our customers freedom and choice through our ability to provide seamless interoperability. At the heart of our company is the ability to provide state-of-the-art optical transport and connectivity solutions that are compatible with over 90 optical switching and transport platforms.

## **Complete Portfolio of Network Solutions**

ProLabs is focused on innovations in optical transport and connectivity. The combination of our knowledge of optics and networking equipment enables ProLabs to be your single source for optical transport and connectivity solutions from 100Mb to 400G while providing innovative solutions that increase network efficiency. We provide the optical connectivity expertise that is compatible with and enhances your switching and transport equipment.

## **Trusted Partner**

Customer service is our number one value. ProLabs has invested in people, labs and manufacturing capacity to ensure that you get immediate answers to your questions and compatible product when needed. With Engineering and Manufacturing offices in the U.K. and U.S. augmented by field offices throughout the U.S., U.K. and Asia, ProLabs is able to be our customers best advocate 24 hours a day.
