

Adam Equipment's MDW mechanical scales offer an affordable solution for checking the weight of fitness center or gym members, and patients in hospitals and doctors' offices. Wheels allow easy mobility and a notched counter weight clearly shows the numbers. MDW scales feature rugged construction with a metal base and a non-slip weighing platform to ensure stability and comfort. Most models include an adjustable height rod to simultaneously measure height and weight. The MDW 200B does not include wheels or height rod.

Affordable, easy-to-operate scale measures height and weight
