

Product Change Notification

TE Connectivity

Product Change Notification: P-18-016433

PCN Date: 04-OCT-18

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

Change in upstream process location for TC-CAPS

Description of Changes

This notification is to inform of upstream processes of extrusion and irradiation for TC Cap manufacture also moving to Shanghai China from our plant in Menlo Park USA.

Other attachments:

[TC CAP Upstream process location change.](#)

[PCN TC CAP part number notification.](#)

Reason for Changes:

Dear Customer, we hereby inform you about a transfer of upstream processes. TC Caps have been delivered to our customers from our manufacturing location in Shanghai, China for many years. This upstream process location move is implemented immediately. Fit Form and Function of the product does not change. If you require a PPAP or specific testing please inform us within 90 days of receiving this notification so we can coordinate the documentation and support your requirements. This should be requested from your local customer care representative.
