

Product Change Notification

PCN Date:	Jan 05, 2023		
Supplier Name:	Pulse Electronics		
Pulse PCN No.	PCN-100000464 Rev. A		
Description of Change	1. The overall height after assembly will be changed from 0.310±0.005 inch to 0.310±0.010inch (7.87±0.25mm). 2. No impact to product fit, form and function. Product processes remain the same.		
Reason for Change	The tolerance ±0.005inch can't meet the actual situation due to tooling abrasion, which caused the actual yield lower than 80%. Relax the tolerance spec for better manufacturability and yield improvement, and it will not impact customer's application.		
Summary of Changes between the new and old part	Present	New	
	Height tolerance: ±0.005 inch 	Height tolerance: ±0.010 inch 	
Traceability guidelines	By date code.
