Phoenix Contact's factory has announced the following product(s) is going to be discontinued. Existing specifications will be met or exceeded. Technical support of the discontinued product will continue, as required. Please review and acknowledge this document and take the appropriate action with respect to your existing inventory and ordering replacement parts.

Description for Product Discontinuation

With the transition to newer cellular technologies occurring today, the 3G cellular networks is becoming less available. Verizon has already stopped connecting new 3G devices to their network and AT&T plans to stop accepting new 3G devices in early 2022.

Due to this evolution, the 3G MGUARD devices are being discontinued.

The replacement options will be dependent on the users cellular provider need. The older 3G version were compatible with both Verizon and AT&T. Due to some approval requirements, we offer specific Verizon and AT&T variants. Below the replacement options are listed for the discontinued products. If there are questions on the replacements, please contact Technical Support to discuss the application.
