

Product Discontinuation Notice | ORD 2210V, KSK-1x85, and MK23-85 Series Reed Switches

Dear Valued Business Partner,

September 17, 2021

Effective immediately, Standex Electronics is discontinuing the sale of the following part numbers through all global distribution channels. As a result, any open orders for the discontinued part numbers will be canceled. We will continue to manufacture these parts, though we have decided to prioritize their usage internally to our relays and sensors. The attached Distribution Price List "**2021-JUL-01-v03-Std-Distribution-Price-List**" has been updated to reflect the "Discontinued Part Status".
