Product Discontinuance Notification Details			
Description of Discontinuance:			
<p>The purpose of this Revision A is to announce corrections to some of the replacement devices. There is also additional clarification in the description in the paragraph below. The replacement part number changes are highlighted and bolded in the Product Affected section below. There is no change to the original Last Date to Order or Last date to ship as noted above.</p> <p>Texas Instruments Incorporated (TI) is announcing the discontinuance of select RS485 devices. Part Numbers are listed in the Product Affected table below. A last time buy is being offered per the date shown above.</p> <p>Equivalent recommended replacements are being offered, as shown, in the Product Affected table. The replacement products are undergoing a change in PCN 20221031004.1. (Replacements in blue font are not undergoing a change at this time.) Changed material may begin shipping after expiration of PCN 20221031004.1.</p> <p>NOTE: There are no samples offered for withdrawn/obsolete products. For samples of any of the changed replacement products based on PCN 20221031004.1, please contact your local sales representative.</p>			
Reason for Withdrawal/Discontinuance:			
TI will no longer support certain tube/small reel packing or temperature range variants for the following products. The recommended replacement products are equivalent devices shipped in large reels.
