

RC1740HP/RC176xHP End of Life (EoL) Notification

End of Life (EoL) Notification

This is a formal notification for the End of Life of the products specified below. These products will no longer be manufactured by Radiocrafts beyond the date specified below. This notification is per Radiocrafts' standard QA procedures.

Because you have purchased one or more of the products listed below during the past twenty-four (24) months, we would like to know if you have any continuing requirements for them in the future. We would appreciate your advising us of any such requirements and estimated quantities needed, as soon as possible. There is no guarantee of continued supply for these products.

For questions regarding this notice, contact your local Sales Representative / Distributor or Radiocrafts sales.

Products affected by this notice

RC1740HP-nnn where nnn designates all FW variants
RC1760HP-nnn where nnn designates all FW variants
RC1761HP-nnn where nnn designates all FW variants

Last Time Buy (LTB)

Due to the obsolescence of essential parts, there is no general LTB period for these products. Please contact Radiocrafts as soon as possible for any new demand, which will be handled case by case.

EoL effective date

2020-10-01

Disclaimer

Radiocrafts AS believes the information contained herein is correct and accurate at the time of this printing. However, Radiocrafts AS reserves the right to make changes to this product without notice. Radiocrafts AS does not assume any responsibility for the use of the described product; neither does it convey any license under its patent rights, or the rights of others. The latest updates are available at the Radiocrafts website or by contacting Radiocrafts directly.

As far as possible, major changes of product specifications and functionality, will be stated in product specific Errata Notes and Product Change Notifications published at the Radiocrafts website. Customers are encouraged to check regularly for the most recent updates on products and support tools.

Trademarks

RC232™ is a trademark of Radiocrafts AS. ZigBee is a trademark of the ZigBee Alliance. All other trademarks, registered trademarks and product names are the sole property of their respective owners.

Life Support Policy

This Radiocrafts product is not designed for use in life support appliances, devices, or other systems where malfunction can reasonably be expected to result in significant personal injury to the user, or as a critical component in any life support device or system whose failure to perform can be reasonably expected to cause the failure of the life support device or system, or to affect its safety or effectiveness. Radiocrafts AS customers using or selling these products for use in such applications do so at their own risk and agree to fully indemnify Radiocrafts AS for any damages resulting from any improper use or sale.
