# 500ft CAT 6A Solid & Shielded (F/UTP) CMR Riser Bulk Ethernet Cable (Blue) With 20 pcs of Shielded Modular Connectors
(TR4-570SRBL-KIT)

Shielded cables designed to prevent EMI Interference and ensuring best signal possible.

Foiled Unshielded Twisted Pair (F/UTP) Category 6A Ethernet cable.

23AWG (American wire gauge) individual solid pure copper conductors for permanent installation.

In-Wall and Riser-Rated Installation (CMR).

Full 10 Gigabit network speed at 500 MHz performance.
Ideal for PoE and VoIP applications where data loss is audibly and visually seen and heard.

Meets ANSI/TIA-568-C specifications.

Comes on a convenient wooden spool for easy access.

Comes with 20 pcs Shielded Modular Connectors rated for stranded & solid CAT 7/6A/6 cable.

Running "FT" count printed on cable for easy measurement.

RoHS compliant.

TAA compliant.
