Overview

- Moving the shipping location from Plant 9101 Mooresville, IND to 3162 Rancho Cucamonga Ca. This change is being made to consolidate Continental Automotive shipping locations. It is also a buy and resell product that should be going through the Supply Chain Hubs. As this is a foreign Product, bringing into the FTZ will reduce costs to Molex via MPF savings. Also future opportunity to send through Zone and export without paying duty.
