4M Change Notice

Murata Part Number: WIT2410M4G

Dear. Valued Customer

Thank you very much for your great and continued support for business with Murata.
 This is the official notification that some of our products' 4M Change will be proceeded as detailed below.
 Please review this, and confirm that you will expect to receive products after this 4M Change.
 Your understanding and support are highly appreciated.

1. Product Type, Changes, and Customer/Murata/Alternative Part Numbers:

Product Type: Murata Part Number: WIT2410M4G

Changes: Man Machine Material Method

Before Change	After Change
Existing VCO	New VCO with tuning circuit changes

Please refer to the attached documents for detailed Part Numbers' information.

2. Reasons/Background:

Our supplier for existing VCO is EOL their product,
 hence Murata has to use an alternative part for our product

3. Products Before and After the Change:

There are no changes of the products' design, quality, guaranteed specifications, and others,
 as Murata continuously uses the same production process and quality control system.

*Please note: all new orders received will have the new VCO

4. Change Schedule:

Last Production Date of Existing VCO: Feb. 15, 2018

Last Shipment of Existing VCO: Mar. 31, 2018

5. Contact Window:

Should you have any questions or concerns,
 please contact Murata Sales, Representative, or Distributor in your area.

Truly Yours. Thank you.
