*Phoenix Contact's factory has announced the following product(s) is going to be discontinued. Existing specifications will be met or exceeded. Technical support of the discontinued product will continue, as required. Please review and acknowledge this document and take the appropriate action with respect to your existing inventory and ordering replacement parts.*

### Reason for Discontinuation:

HEAVYCON's original D-Series screw termination contact inserts will be discontinued and replaced with a significantly improved version. Benefits of the new design include:

- Approved for railway vehicles. Now comply with DIN EN 45545-2 with the R22, R23 and R24 requirements set in the hazard level HL1, HL2 and HL3.
- Plastic material changed from glass fiber reinforced PA to industry standard glass fiber reinforced PC.

All new contact inserts will be fully compatible with existing D-series inserts, both from Phoenix Contact as well as other suppliers.
