

Product Change Notification

TE Connectivity

Product Change Notification: E-18-011467

PCN Date: 18-JUL-18

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

FX2 relay - discontinuation of production. New relay P2 UHDV will be available as substitution.

Description of Changes

PCN (P-18-015838) has already been sent, please see attachment. Closure of current production of FX2 relay by 31st of December 2018. Last Purchase Order must be placed before June 30th 2018. Last shipment of current production will be the 31st of December 2018. TE will produce extra inventory to prevent shortages till new P2 UHDV relay is qualified. Replacement relay P2 UHDV will have same footprint and similar technical parameters. Samples will be available October 2018 for qualification and mass production will start February 2019.

Other attachments:

[P-18-015838](#)

Reason for Changes:

Discontinuance. Part status change. New P2 UHDV relay will be produced on fully automated production line.
