Notice of production discontinuance of ZA series

We would like to take this opportunity to extend our heartfelt appreciation to you and your esteemed organization for the continuous support rendered to our company.

Currently we produce an extended range of products with many size variations so as to satisfy customers' demand.

However, with regard to the titled series of product, due to the decreasing demand in the market, it is much difficult for our operation to continue the production and the sales.

Therefore, we are obliged to discontinue this production as stated below:

1. Items to be discontinued:

Aluminum electrolytic capacitors : ZA series (105°C Ultra Low impedance)

2. Alternative parts

ZLG series (105°C Ultra Low impedance)

3. Last time buy

For the existing requirements, the last time buy will be accepted till September, 2008.

Please do not use these obsolescing caps for a new model/design.

For further details please kindly consult with our local sales office for your company.

Thank you very much in advance for your understanding and cooperation.

Sincerely yours,

Sales and Marketing Headquarters
