

DISTRIBUTOR UPDATE

Dear Distributor,

This letter serves as formal notification that Lascar Electronics is discontinuing the production of the products listed below.

- USB-LINK-IR

As a part of our continuous commitment to provide customers with the most current technology and best experience, Lascar Electronics is discontinuing manufacturing selected products from our standard product offerings due to outdated technology.

If you require any assistance or have any questions, please do not hesitate to reach out to us. If you require an official Authorized Obsolesce letter, please reach out to Steven Lindquist (steven.lindquist@lascarelectronics.com)

Thank you for you continued business.
-Lascar Electronics
