Stock rotation claims will be allowed for sixty (60) days after the product EOL/Last Time Ship date.

V. Warranty and Support

MultiTech will provide technical support and repair or exchange of the products listed in this announcement through the warranty period of the installed device. However, no firmware/software updates or maintenance releases will take place post EOL date.

VI. Suggested Action Plan:

To help facilitate the transition to the newer MT100UCC-EV3 models, we recommend the following actions be taken:

- Work with your MultiTech sales representative if your company is interested in placing an N.C.N.R. (Non-Cancellable, Non-Returnable) purchase order for any remaining devices that you require.
- Forward this announcement to others within your organization who are actively involved in the sale or support of cellular modems.
- Note that the current MT100UCC-EV2 models are no longer recommended for new product designs.
- Notify existing customers who have been using the MT100UCC-EV2 models and have them begin their qualification testing on the new MT100UCC-EV3 replacement models. Work with your MultiTech sales representative to ensure the correct model is ordered.
