Dear Customer,

**Re: Obsolescence notification for Harwin product.**

Please be advised that a large number of higher contact counts in the M20 series are being made obsolete. Typically, this involves pin counts over 20 pins per row – but this varies within each series. The following ranges are affected and have obsolete items within the range:

- M20-782xxxx
- M20-783xxxx
- M20-785xxxx
- M20-786xxxx
- M20-787xxxx
- M20-788xxxx
- M20-789xxxx
- M20-876xxxx
- M20-877xxxx
- M20-890xxxx
- M20-891xxxx
- M20-970xxxx
- M20-971xxxx
- M20-972xxxx
- M20-973xxxx
- M20-974xxxx
- M20-975xxxx
- M20-976xxxx
- M20-977xxxx
- M20-995xxxx
- M20-996xxxx
- M20-997xxxx
- M20-998xxxx
- M20-999xxxx

Unfortunately, we are no longer able to support these individual products. These items have been granted a 3 month Last Time Buy period – **you can purchase these items up to and including Friday 10<sup>th</sup> November 2017**. Please see the attached spreadsheet for a complete list of affected items, and suggested alternatives.

**Please note we are not making the whole series obsolete.**

In addition, the Plastic Material used on these ranges has changed from PA6T to PA9T – this is with immediate effect:

- M20-782xxxx
- M20-783xxxx
- M20-788xxxx
- M20-891xxxx

If you have any further questions regarding this letter, please do not hesitate to contact us.

Yours faithfully,

The Product Change Team
