This is the end-of-life announcement for the models listed above. Effective immediately we will no longer manufacture these “SE” models. We are consolidating our comprehensive Industrial Ethernet Switch offering under the eWorx family brand. By consolidating the “SE” models with the “EKI” models we can offer a wider product selection, more effective and timely new product process and attain increased efficiency, reducing lead-time and extending product life-cycles.

Product Migration Path:

Current	Replacement	Replacement Description
SE205-MMSC	EKI-2525M-BE	4-port 10/100Mbps + 1 Multi-Mode 100FX Unmanaged Ethernet Switch, -10~60C
SE205-SMSC	EKI-2525S-AE	4-port 10/100Mbps + 1 Single-Mode 100FX Unmanaged Ethernet Switch, -40~75C
SE208	EKI-2528-BE	8-port 10/100Mbps Unmanaged Ethernet Switch, -10~60C
SE208-T	EKI-2528I-BE	8-port 10/100Mbps Unmanaged Ethernet Switch, -40~75C

The replacement models (EKI) offer the same functional specification, mechanical dimensions and user interfaces as the previous “SE” models. The differences are the product color (Grey from blue), front panel appearance and part number reference. The replacement versions are available for immediate purchase.

Please contact B+B SmartWorx for availability. Full product documentation is available on our website www.advantech-bb.com , or via our support staff: support@advantech-bb.com
