niki.taylor@molex.com
cc:
Date August 23, 2011

Series / Product Family: 3190, 3192, 2599 and 3003 KK series headers

Part Numbers Affected: See attached part number list

Product Description: KK series headers with round pins and overall gold plating

Product Image:

3190

3192

2599

3003

Replacements: Replace with tin over nickel plating where possible

Last Order Entry Date: 11/15/2011

Obsolescence Effective Date: 12/31/2011

For further information please contact your local sales representative.

PCN Obsolescence special note:

Molex is eliminating overall gold from plating options in PCB headers, and low demand cannot justify keeping gold options on the round pin headers. Please replace with tin plating or with gold plating options in square pin header series.

If no last time buy orders are received by Molex within 180 days after issue date of the Obsolescence GCN, Molex reserves the right to terminate production at any time at its own discretion. MOQ and lead time will be negotiated at time of order placement and will be dependent upon material availability. Molex will make all efforts to meet customer order requirements. Orders placed after Obsolescence Notification and subsequently cancelled will be subject to a cancellation charge
