

Particle Change Notification

Particle Change Notification (PCN) Number: 9

Date: February 12, 2020

Reason for Change: Deprecation of Asset Tracker

Change Type Description: This document is to inform you that Particle will be deprecating the SKU ASSET3G260V2. We will be launching a new Asset Tracker by June 1. Once we have the replacement product information available, we will provide that immediately to assist with driving the backorder customers.

If you have any technical questions or inquiries regarding this Particle Change Notification (PCN), please feel free to contact me by email at kirk@particle.io or call me at 925-876-6065.
