Product Discontinuance Notification Details

Description of Discontinuance:

The purpose of this Rev A PDN is to add two part numbers to the Product Affected section below. These devices were inadvertently not included in the original notification and will be discontinued. There are new terms for the two added devices according to the dates shown above. The original terms remain intact for the original set of devices.

Texas Instruments, Incorporated (TI) is announcing the discontinuance of select dual row leadframe packaged devices. A non-cancelable, non-refundable life time buy is being offered per the date shown above. Recommended replacements are being offered as shown in the Product Affected Section.

NOTE: There are no samples offered for withdrawn/obsolete products. For samples of any replacement products, please contact your local sales representative.

Reason for Withdrawal/Discontinuance:

Amkor P1 assembly discontinuation of several dual row leadframe packages
