Product:	Metral® Receptacle B-series		Part Numbers Concerned:	See list attached
Product Manager:	Talee Luo		Issue Date:	Jun, 3, 2008
			Page(s):	1/1
Distribution:	Active and Contract Customers			

Subject:

End of life of non-ROHS Solder-to-Board Metral Receptacle B-Series

Nature of Change:

FCI is announcing the full conversion to Lead Free Plated tails on the Receptacle B-Series for Solder to Board application. When this PCN is implemented, all tails will be plated with ROHS compliant Lead Free (LF) plating.

There are 2 important reasons for this change:

1. Due to environmental regulations in many countries, a huge majority of customer has already migrated to ROHS, Lead Free (LF) plating.
2. Because of Lower demand, the standard lead-times and production costs for tin-lead plated product have both increased.

Implementation Date:

Last orders are accepted till Mar, 31st 2009

Last shipment date is May,31st 2009

Stock returns are not accepted as part of this PCN. Conversion of Solder-to-Board applications to ROHS compliant has been timely communicated so that inventory conversion should have been completed.

Affected Part Numbers:

See enclosed list.

Alternative Products:

- RoHS-5 part numbers must be changed to same part number with suffix LF.
- For example 63731-111 will become 63731-111LF

Action Required:

Ensure speedy completion of conversion to RoHS-6.
