

## MEMORANDUM

---

To: Elpac Power System Distributors

Date: June 29, 2020

From: Inventus Power

RE: Product Discontinuation Notice: FWA120, FWA150, FWA180 and FWA220 Series

Inventus Power has decided to discontinue a select number of Elpac brand power supplies (see Exhibit A). These product discontinuations are a result of market decline on legacy products.

In order to prevent any product flow disruption to your end customers, we will honor all existing open orders for the discontinued units and a last time purchase for these items can be placed. Purchase orders for last time buys must be received no later than September 1, 2020 and product(s) must ship before March 31, 2021.

We apologize for the inconvenience this decision may cause you or your customer(s). Please contact me directly if you have any questions or concerns.

Sincerely,

**Joe Redmond**

Global Account Manager
