LPC1768UK Tape and Reel Packing Change

Information Notification

New packing has been developed for LP1768UK which includes new pocket tape and changing the reel size from 13" to 7"

These changes affect only the tape and reel packing. There have been no changes to the actual product.

The NXP 3 digit packing code changes from 118 (13" reel) to 062 (7" reel) resulting in the orderable 12NC part number change from 935302898118 to 935302898062.

The updated packing spec,WLCSP100_LPC1768UK_062 Rev 1, is available on the NXP website.

Why do we issue this Information Notification

To inform customers of the new ordering part number.

Identification of Affected Products

Replacement part type created, see Parts Affected list

Impact

no impact to the product's functionality anticipated.

There are no changes to the product, only the packing material.

Data Sheet Revision

No impact to existing datasheet

Additional information

Affected products and sales history information: see attached file
