### Description

The P169-001-KPA-BK Mini DisplayPort to DisplayPort All-in-One Keystone/Panel Mount Adapter Cable allows you to terminate a Mini DisplayPort connection in a keystone wallplate or panel. Or you can use the included panel mount adapter to install the female MDP keystone jack port in a podium or kiosk. The angled connector makes the cable easy to install in tight spaces.

Ideal for giving your conference room, classroom, home theater room or retail establishment a professional, tidy look, this one-foot cable can complete an in-wall run and keep components out of sight in a closet or another room to eliminate cable clutter.

Molded nickel-plated connectors with gold-plated contacts offer optimal signal transfer. Premium foil shielding delivers reliable, error-free signal quality and protection from EMI/RFI interference. Integral strain relief ensures the cable and connectors last a long time.
