PRODUCT CHANGE NOTIFICATION

Notification No: cn007970

Date: 7-10-2014

Change Information

For Notification Only

Product Change Class: D

Description of Change:

The government of China has removed the requirement for CCC certification for power supplies rated 1300W and above. As a result CCC marking on all CP power supplies is no longer valid and the mark is being removed from the product. No other changes are being made to the product as a result of this action other than removal of the mark from the product ID label effective July 1, 2014. This Notification is for your information only and no other action is required. Affected products includes CP2000xxxx-xxx. If you have questions about this action, please contact your GE representative for assistance. .

Estimated Implementation Date: 2014-06-30
