Subject: Change of supplier for Size 20 and size 12 extraction tool for Trim Trio contact.

Product Part Number: RX20D44 and 5106-021-09-24

Description of Change: The new versions have different handle styles and shapes compared to the old versions.

Current:

Old Size 20 extraction tool: RX20D44

Old Size 12 extraction tool: 5106-021-09-24

New:

New Size 20 extraction tool: RX20D44

New Size 12 extraction tool: RX20D44

Reason for Change:

The shape of the new tools has been improved and is more ergonomically correct.

Anticipated Impact on Form, Fit, or Function:

There is no impact on Fit and Function

Implementation Date:

Immediate, but Souriau will continue to deliver the former version until current stock is depleted.
