Product Change Notification

PCN #: IRV00001

Product Family

- ❖ AS85049/48-1, -2 & -3 Steel Backshells
- ❖ ITT Cannon Commercial equivalent Steel Backshells

Part Number Affected

- ❖ AS85049/48

	AS85049/48-2-1F
	AS85049/48-2-2F
AS85049/48-1-3F	AS85049/48-2-3F
AS85049/48-1-4F	AS85049/48-2-4F
AS85049/48-1-5F	AS85049/48-2-5F

- ❖ ITT Commercial Equivalent

	DE44994
	DA20961
DB24659	DB20962
DC24660	DC20963
DD24661	DD20964

Description of Change

- ❖ The brass mounting hardware nuts used on the steel backshells were changed to steel to ensure compliance to the AS85049/48 specification.

Method of Identifying Change

- ❖ Visually the steel nuts are the same as the brass nuts they replace. Check for magnetism if needed.

Reason for Change

- ❖ To maintain compliance to the applicable specification

Impact of Change (Form/Fit/Function)

- ❖ No impact

Effectivity Date: December 4, 2017

For any technical questions regarding this PCN, please feel free to contact the appropriate Product Manager.
