# 40-pin GPIO 1 to 2 Expansion Board for Raspberry Pi (RAS-GP02)

Extend the use of your Raspberry Pi with Micro Connectors' 40-pin GPIO 1 to 2 Expansion Board. Extend one GPIO pin into two, no soldering needed! Expand your Pi experiments, making them easier and more convenient, with our compactly designed expansion board!

FEATURES

- Compatible with:
    o Raspberry Pi
    o Raspberry Pi 2
    o Raspberry Pi Zero
    o Raspberry Pi 3 B/B+
- First pin is marked with a square shaped pad on the PCB

INCLUDES

- (1) Micro Connectors' 40-pin GPIO 1 to 2 Expansion Board for Raspberry Pi
