

Global Change Notification (GCN)

Product Family	MX150	10692736
		GCN Number
Series	33472-04xx & 33472-44xx	June 22, 2015
		Date Issued
Reason For Change	Product Component Change	
Change Description	<p>This letter is to inform you of a product change to a single component associated with the MX150 2x2 Receptacle Connector. The impacted component is the Mat Seal. The reason for this change is in response to the growing desire to use ISO wire. As such, the terminal hole geometry within the Mat Seal has been optimized to accept 0.35mm² wire while continuing to support larger wire up to 14AWG. The color of the seal will be changing from Light Blue to Rust Red. In addition to the color change, part numbers will be changing from 33472-04xx to 33472-40xx and from 33472-44xx to 33472-41xx. A full list of replacement part numbers can be provided upon request. Part numbers 33472-04xx and 33472-44xx will become obsolete after Implementation Date. PPAP's can be offered at the end of August 2015 should your company require a resubmission.</p>	

Part Numbers Affected	Please refer to CustomerPartList.csv attached to e-mail message.
Reason For Short Notice Exception	Special Request
Assessment Of Change (How Product Will Be Qualified & Validated)	validation testing
