Product Termination Notification < FAH Filter Series _plastic box flexibility >

Date: 20220726	ID Number: PTN-220726-LK
Affected Products	FAH Filter Series
Change	KEMET is introducing an alternative box color for the affected products. Affected product can be produced with alternative color "dark gray" instead "light gray" currently used. This Product Flexibility will be achieved without impact to product form, fit, or function as the products with the alternative dark gray color respect performances, mechanical, quality and reliability characteristics as per our data sheets. The new qualified plastic box will comply with standardized control techniques, which meet stringent qualification testing to guarantee product performance.
Justification and Benefits	Production flexibility improvement
Effective Date and Identification	Without any acknowledgement of this notification by September 1 st , 2022, KEMET will proceed to implement the change as described here in.
