February 19, 2016

Product Discontinuance Notification (PDN) No: 154280

Subject: Product Discontinuance Notice for the ZL30240

Description:

Microsemi is announcing the discontinuance of the following products:

ZL30240LDF1

ZL30240LDG1

Reason for Discontinuance:

The decision to discontinue these products was driven by diminished demand and low forecast volumes.

Customer Impact:

These devices are being removed from Microsemi's product offering and will no longer be available for order after August 17, 2016.

Orders for these products will be non-cancelable and non-returnable. There is a limited inventory of these parts, so orders will be taken on a first-come, first-served basis. Please contact your local Microsemi Sales Office for information regarding conversion to alternate parts.

Replacement Parts:

There are no pin compatible replacement devices. Devices similar in function are the ZL30250 and ZL30251. Please contact your local Microsemi Sales Office for more information on these products.

Do Not Distribute Outside Microsemi Without Written Permission

Page 1 of 2

Last Order Date: August 17, 2016

Please note that all orders must be booked as non-cancelable non-returnable (NCNR) by no later than August 17, 2016. No new orders will be accepted after this date.

Although Microsemi will attempt to accommodate all requirements, it is highly recommended that orders be placed as far as possible in advance of the order deadline. The inventory is limited so orders will be taken on a first-come, first-served basis.

Last Shipment Date: February 20, 2017

Please note that Microsemi will continue to ship last-time-buy orders as requested only through February 20, 2017. Product orders must be scheduled to ship no later than this date.

Products Affected by this Discontinuance:

ZL30240LDF1

ZL30240LDG1

Note: This is a list of Ordering Part Numbers (OPNs) as are found in product datasheets. Customers may track additional part number variants in their systems, so please consider this a base part list.
