Re: Obsolescence of TX Series

Dear Valued Customer / Partner,

TDK-Lambda has been receiving obsolescence notices for key semiconductors and passive components used in the TX and TL series of rack mount power supplies. Without suitable alternatives, we are obsoleting this series of products. Due to increasing lead-times for components the last time buy date has moved in from the previous notices.

This notice supersedes any prior notices.

The part numbers are:

TX500048
TX500048V42
TX500048V483
TX7500W48
TX7500W48V483
TX7500W48V51
TX7500W48V56
TXR3
TXR3025001
TXR3026
TXRBP
TL100024
TL100024V26

TDK-Lambda recognizes that as a past or current customer of these products, you may require additional units for service spares. We are offering a last time buy opportunity until May 31st, 2019, with a last time ship date of November 31st, 2019. Please understand that these orders would be non-cancelable and non-returnable.

For alternative products, please contact our technical support for additional information. 1-800-526-2324 or email lambda.techsupport@us.tdk-lambda.com
