--------	---	----------------

Date Issued

Reason For Change	Tooling / Equipment Transfer
-------------------	------------------------------

Change Description	The purpose of this letter is to inform you that 16 items will be transferred from Molex Korea's original subcontractor A to another subcontractor B to stabilize products supply to customer since current supplier A is not stable. The affected Molex part numbers are 356781702, 356782302, 357160193, 357270201, 357280201, 357302900, 357303100, 357401410, 357491488, 35767400, 357609700, 357609710, 357660110, 357660210, 357660310, 499468001. Function, fit, form of these items are not affected by transferring of stamping site since the same die and material spec. will be used in new subcontractor. Implementation Date may be changed due to customer demand and production situation.
--------------------	--
