

Publication date: October 14, 2020

Dear customer,

the following products of our product range are discontinued with immediate effect.

The discontinuation of the products described below is due to a product and process improvement of RACON 12.

To ensure our ability to deliver and our production capacity, we have invested in a new automatic production machine for our RACON to ensure that it remains state-of-the-art.

Furthermore, an additional sealing lip has been integrated into the RACON 12, so that a degree of protection according to DIN EN 60529 of IP54 and IPX7 can be achieved and allows potting with different media.

The tactile switches of the new 1.14.012. number range are fit-form function compatible to the discontinued 1.14.001. number range.

In case of demands of discontinued products please send us your last order up to the date as mentioned below.

Article number discontinued product	Description discontinued product	Article number substitution product	Description substitution product	Last order	Last delivery
1.14.001.501/0000	RACON 12 Tactile switch THT 3.6 N	1.14.012.501/0000	RACON 12 S Tactile switch THT O 3.6 N	June 30, 2021	December 1, 2021
