Subject **Discontinuation Announcement:**
52MA3* Potentiometer

To Whom It May Concern,

Due to supplier phase out, effective immediately, Siemens has discontinued the 52MA3* Potentiometers. A recommended substitute product for these parts can be found in the below chart. Siemens will only carry the 3SU1200-2P* potentiometers in their product portfolio. Please refer to the Siemens catalog, iMall or SIOS for further information on the 3SU1200-2P* potentiometers. Customers with any open orders for the 52MA3* parts will be notified that their orders will be cancelled.

We understand that this product discontinuation can be a significant inconvenience and will do our best to accommodate your needs when working through it. Please contact customer support with any questions or concerns.

MLFB	Description	Possible Substitute Product
52MA3*	Potentiometer Operator	3SU1200-2P*

With kind regards,

Robert Guajardo
