### 1 Affected product versions

Product ordering code	Successor product family
LISA-U200-01S	LARA-R6/LENA-R8 product family
LISA-U200-03S	LARA-R6/LENA-R8 product family
LISA-U200-04B	LARA-R6/LENA-R8 product family
LISA-U200-52S	LARA-R6/LENA-R8 product family
LISA-U200-62S	LARA-R6/LENA-R8 product family
LISA-U270-63S	LARA-R6/LENA-R8 product family

All orders of the above listed products placed after the notification date are **non-cancellable** and **non-returnable (NCNR)**.

### 2 Reason for discontinuation

Due to the EOL of a critical component used in the LISA-U200 and LISA-U270 module variants, u-blox is forced to announce the end-of-life for the above listed products.

Our successor products offer better performance and more functionality.

### 3 Customer impact and recommended action

u-blox recommends migrating from the LISA-U2 to the LARA-R6 or LENA-R8 LTE Cat 1 series with 2G or 3G fallback.

LARA-R6 and LENA-R8 series come with enhanced performance and additional features.

Please consult local FAEs for further support.

### 4 Schedule

Last-time-buy date	4-Aug-2022
Last shipping date	4-Feb-2023

**NOTE:** Please be aware that due to the EOL of the component and the current supply issues, u-blox can only accept a limited quantity of additional orders for LISA-U2 modules.

### 5 Contact

We thank you for your understanding and assure you our very best support. u-blox appreciates and values your continued business relationship and looks forward to your future interest in our outstanding product portfolio. Please contact your nearest u-blox sales team for any questions you may have.
