

MT8-SWALKS-M4-16

Ruland Swivel Clamp Hinge Kit, Thread M4, L 16mm, Stainless Steel

Description

Ruland MT8-SWALKS-M4-16 is a swivel clamp hinge kit with an M4 thread and 16 mm sleeve and stud length. It is designed to join Ruland swivel components that begin with MT8 and acts as a hinge point. The user can use standard tools to make positioning adjustments when frequent repositioning is not required. MT8-SWALKS-M4-16 allows for movement of the swivel joint when needed in a more compact installation when compared to types with adjustable clamping handles. Components are made from 303 stainless steel for corrosion resistance. MT8-SWALKS-M4-16 is manufactured by Otto Ganter, inventoried by Ruland, and RoHS3 compliant.

Product Specifications

Sleeve & Stud Length L1	16 mm	Sleeve Length L2	4.5 mm
Sleeve Diameter D1	7.5 mm	Threaded Bushing Height T1	4 mm
Threaded Bushing Diameter T2	7.5 mm	Guide Bushing Height G1	4 mm
Guide Bushing Diameter G2	6.9 mm	Assembled Height HA	11.5 mm
Thread (TH)	M4	Thread Length	11.5 mm
Thread Pitch	0.7 mm	Insert and Screw Material	303 Stainless Steel
Weight (lbs)	0.008800	Manufacturer	JW Winco/ Otto Ganter
UPC	634529238264	Country of Origin	Germany
Tariff Code	7318.29.0000	UNSPC	31162908
