

Product Change Notification

TE Connectivity

Product Change Notification: P-21-020775

PCN Date: 16-APR-21

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
SFR Very Flexible, Flame-Retardant, Silicone Elastomer Tubing

Description of Changes
SFR tubing sizes 1/4 and smaller passed fungus resistance testing and are released for sale to RT-1140 and AS23053/10 specifications. With this update, all SFR tubing sizes have now passed the ASTM G21 fungus resistance testing and are released for sale.
