

## 808-38106

IE-SFP/155-ED, SM1550/XLONG -LC

1. Applications: Fast Ethernet, OC-3/STM-1 and other optical links
2. Extended operating temperature range, -40 to +85C
3. Powerful Digital Diagnostics Monitoring Interface (DDMI) for troubleshooting
4. MSA-Compliant with ITU-T G.957, G.958 and IEEE 802.3u
5. Hot Swappable; supports single-mode/XLONG 1550nm, LC connectors

### Order Information
